

PETER WATERMAN

Having been part of the current Riverside Board, specifically the Finance Committee, for the last 3 years, I would like to continue supporting the shareholders and the management of the park.

My wife Carolyn and I, together with our four children first holidayed at "Riverside" in December 1991. Since then we have returned every year to "Riverside" for a great summer holiday – more recently with our two grandchildren. The life experiences this Park has brought to our children and now grandchildren, has given them lifelong friendships and taught them important values for life.

As part of the Senior Finance Team at "Fruco Suntry NZ Limited", I know that I will continue to bring the commercial experience and skills necessary to assist the board in providing the best possible Holiday Park for all Shareholders, future Shareholders and casual holidaymakers.

"Riverside" for me, is a place to relax, enjoy the company of great friends and spend time fishing on our magnificent ocean beach.
