

NOMINEE STATEMENT – PETER WATERMAN

My wife Carolyn and I, together with our 4 children first holidayed at “Riverside” in December 1991 and have had a caravan in the park ever since. We have enjoyed many summer and winter holidays with our children and more recently with our 2 grandchildren. The life experiences this Park has brought to our children and now grand children, has given life long friendships and teaches then important values of life for going forward.

As part of the senior finance team at “Fruco Beverages Limited” I know that I will bring the commercial experience and skills necessary to assist the board in providing the best possible Holiday Park for all Shareholders, future Shareholders and casual holiday makers.

“Riverside” for me, has always been a place to relax, enjoy the company of great friends and spend time fishing on our magnificent ocean beach.
