

Nominee Statement

ROSS MacFARLANE

Hi all shareholders,

My name is Ross MacFarlane. My family, my wife Kerry, and our two children, have been part of the Riverside community since 1997. Our children have grown up at Riverside and still love to come back with their friends. They love and respect Riverside enormously. Kerry and I come to the Park at every opportunity. This is our “very special place”.

I have now retired from a career of 50 years in the banking industry. My career as a business Banker of 25 years, has given me considerable knowledge and understanding about business success and business failure.

For the past three years I have been employed by Clinical Support Services at the North Shore Hospital. A role I thoroughly enjoy, as it offers a variety of work. It is challenging, while at the same time giving me the opportunity to work with a wide range of professionals, and of course patients.

I am the treasurer of the Kumeu Fishing Club, and have been for the past 20 years. I have recently completed a two-year term as president of the club.

I am extremely passionate about Riverside, and believe I can bring experience and knowledge, to be a very fair and effective member of the Riverside Holiday Park Board.

Ross MacFarlane.
