

WENDY AUGER

Nominee Statement:

Love the Park!

Love the People!

Looking to add value to the Park again!

Being a long-term resident or visitor to the park over the last 26 years, and a previous Board Member, I feel that the time is right for me again.

Although my reign of being the Board Member, was cut short last time due to personal/work life balance, I am now looking forward to engaging time on the Riverside Board, supporting the current Boards' direction and having more quality time at the park this year.

I believe in Riverside Holiday Park, the Board and doing the best to make our time at Riverside enjoyable, keeping the 'family' feeling forefront of mind.

Regards

Wendy Auger
